BushwickBK.com: once upon a time
me: I can't believe that drugs were once sold in Bushwick
BushwickBK.com: omg rly?
me: did you know that people used to sell drugs around here, Jeremy?
BushwickBK.com: it is unconstitutional
BushwickBK.com: none of that is relevant
me: Some of the newbies in the neighborhood take offense to this because they just cant believe that the area was once an open market for drugs.
me: Stopping and questioning a person walking on Jefferson St and Knickerbocker is well within the regulations of the nypd.
me: every single line is fucking insane
BushwickBK.com: another rican archie bunker type
me: from that Brooklyn J Train Guy
me: most retarded comment ever
